### Keep In Mind

- Payments received after May 09, 2017 are considered late; a late payment charge, the greater of \$5.00 or 1.5% of your past due balance will apply. Your account may also be billed a deposit adjustment.
- 1,597 kWh were sent to the grid this period. 957 kWh were applied to reduce your bill. Your kWh reserve increased by 640. The kWh in your reserve is 996.
- The amount due on your account will be drafted automatically on or after April 29, 2017. If a partial payment is received before this date, only the remaining balance due on your account will be drafted automatically.
